**FLAG TILE PAINT is a unique single component, one coat paint for tiled surfaces. Flag Tile Paint is made using a special blend of resins producing an easy to apply coating, with excellent adhesion, colour retention, water resistance and durability. The product is ideally suited for home kitchen and bathroom areas. Designed to produce a high quality finish with minimal brush marks.**

The grouting can be renewed by using our purpose designed grout pen. The grout pen is easy to use and provides a neat long-lasting finish.

### APPLICATIONS

Flag Tile Paint can be used on ceramic tiles including glazed high gloss surfaces.

Flag Tile Paint is not recommended for floor or worktop areas.

### TECHNICAL DETAILS

**CONSISTENCY:** Designed for easy application straight out of the can\*

\*Ensure that the product is thoroughly stirred prior to use

**PACKING:** 2.5 litre containers.

**COLOURS:** Black, White, Light Blue, Dark Blue, Light Green, Dark Green, Yellow, Orange, Red

Special order colours can be made on request.

**PREPARATION:** The surface must be dry and free from grease, dirt or loose material.

**APPLICATION:** Stir contents well before use. For best results use a clean new soft brush, preferably synthetic. Apply directly onto clean tiles, finishing with vertical brush strokes to avoid runs. Apply directly over tiles and grout areas, taking care not to overspread. Extreme colour changes may require an additional coat. For roller application use a short pile sheepskin or synthetic fibre roller, foam rollers are not recommended. A brush may be required to ensure that recessed grout areas are painted correctly.

Clean and degrease the tiles

Apply one coat of Flag Tile Paint

Renew the grout lines with Flag Grout Marker

Flag Tile Paint can also be applied by sponge

**SAFETY:** Handle with care. Before and during use, observe all safety labels on packaging and paint containers, consult Material Safety Data Sheets and follow all local or national safety regulations.
